

# LEADING LEARNING BIBLIOGRAPHY

## STANDARDS OF PRACTICE FOR SCHOOL LIBRARY LEARNING COMMONS IN CANADA 2017

This bibliography includes all citations from the original document (Canadian Library Association, 2014) as well as references to resources added to the Canadian School Libraries **Leading Learning** website up to 2017.

# BIBLIOGRAPHY

This document updates the bibliography which accompanied the Canadian Library Association's publication *Leading Learning: Standards of Practice for School Library Learning Commons in Canada* in 2014. References to all resources added to the Canadian School Libraries *Leading Learning* and *L'Apprentissage en tête* websites, including exemplars, have been added to this revised bibliography.

**Please Note:** Citations for each current exemplar appear with the exemplar within each *Leading Learning* indicator on the *Leading Learning* and *L'Apprentissage en tête* websites. **This bibliography will not be updated with citations for new exemplars, which are continuously updated. Please refer to the websites for the most recent exemplar links.**

*Leading Learning:* [lslsop.canadianschoollibraries.ca/](https://lslsop.canadianschoollibraries.ca/)

*L'Apprentissage en tête:* [cda.canadianschoollibraries.ca/](https://cda.canadianschoollibraries.ca/)

## Section A: Introduction

### Standards of Practice for School Library Learning Commons in Canada

## Section B: Standard

### Facilitating Collaborative Engagement to Cultivate and Empower a Community of Learners

## Section C: Standard

### Advancing the Learning Community to Achieve School Goals

## Section D: Standard

### Cultivating Effective Instructional Design to Co-Plan, Teach and Assess Learning

## Section E: Standard

### Fostering Literacies to Empower Life-Long Learners

## Section F: Standard

### Designing Learning Environments to Support Participatory Learning

## Section A: Introduction

Canadian School Libraries (CSL) is a non-profit charitable organization dedicated to professional research and development in the field of the school library learning commons in Canada. CSL connects school library practitioners and educators across Canada in the collaborative pursuit of delivering exemplary practices reflective of current professional school library learning commons standards.
